PROFILE

As an enthusiastic and evolving Front-end Developer. I am actively seeking opportunities to contribute my skills and creativity to a collaborative development team. I am particularly interested in joining a team where I can leverage my current project experience to craft intuitive and visually appealing user interfaces, while continuously expanding my skill set in the field of Front-end developer with a strong foundation in REACT and JAVASCRIPT

PROJECTS

PORTFOLIO : <https://madeshks.github.io/portfolio/>

- ✓ My portfolio represents who I am, and it showcases all of my projects. You can explore my projects through my portfolio
- ✓ Creating my portfolio, I learned to React components and implement functionality using JavaScript. Furthermore, I gained a deeper understanding of State management and Hooks, specifically using the useState hook for animating changes
- ✓ I used Tailwind CSS for styling my portfolio because I wanted to further enhance my tailwind CSS skills and build a strong foundation this area
- ✓ I ensured necessary that it is fully responsive. This project has helped me acquire the skills necessary to create a responsive portfolio
